Your guide to creating an effective PROFILE
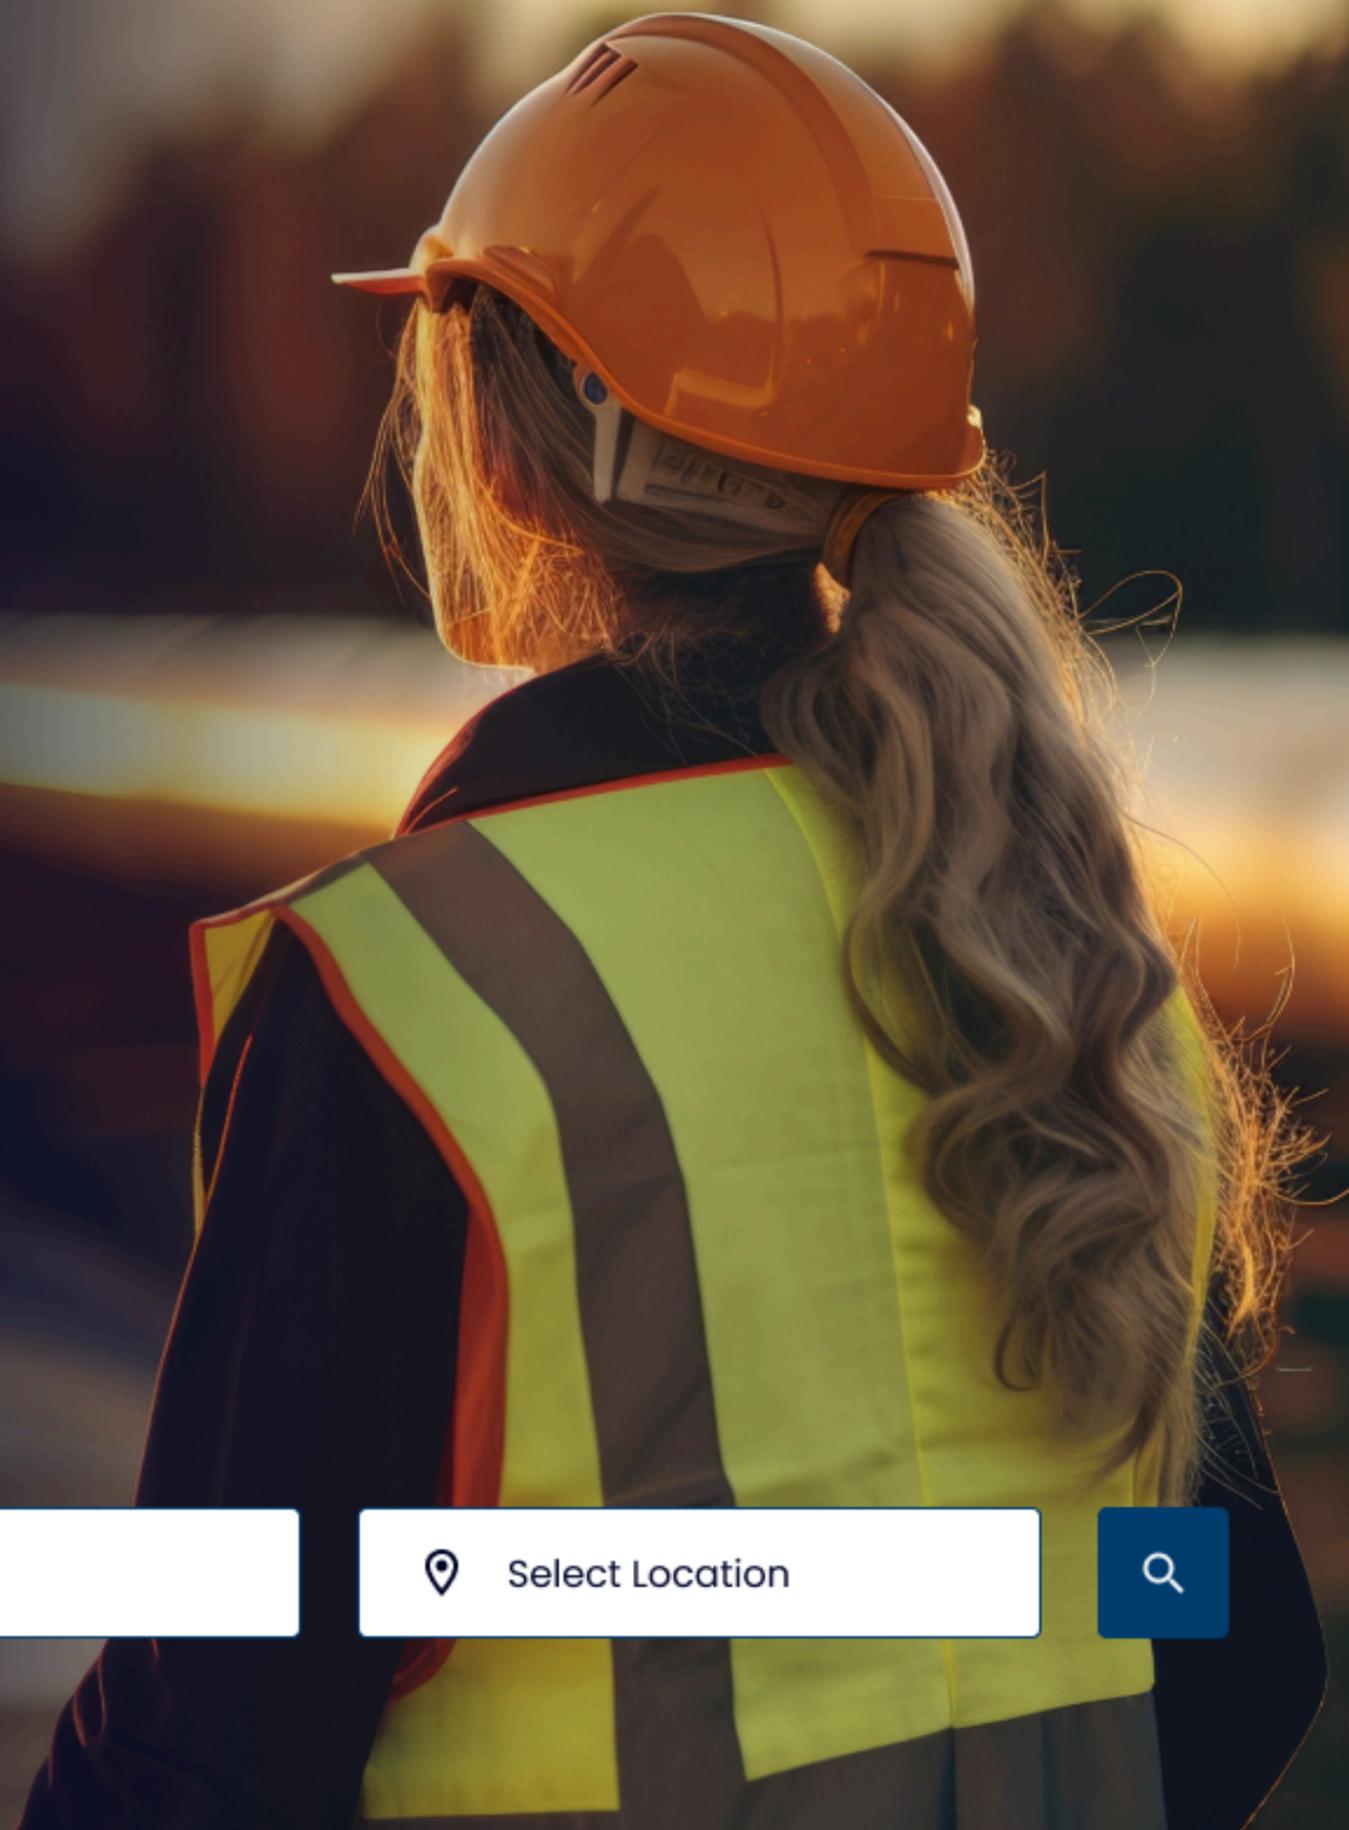

YOUR GATEWAY TO BUSINESS GROWTH

Projects | Suppliers

What are you looking for?

Select Location

Gateway by ICN is the pivotal connection between major projects and the best suppliers in the regions.

In an increasingly competitive market, Gateway by ICN gives you access to a sophisticated business network that helps boost your business, with an immediate connection to billions of dollars' worth of project opportunities.

This guide is designed to help you create a profile that increases your chances of appearing in searches and being put forward for work. The more we know about you the better we can match your profile with projects around Australia and New Zealand.

Creating your profile should take around 30 minutes. But if you want to give it a little more thought, you can always save your progress and come back later to complete it.

NEED HELP?

Our Industry Specialists are here to help you.

If you need any help completing your profile please call us on 1300 961 139.

GETTING STARTED

Here is some information you will need before you start:
